

# Kindergarten Snow Day #1

Hello everyone! Do your best, and show what you know!

1. Pray the Our Father together aloud. \_\_\_\_\_
2. Choose a book to read (or be read to). Draw a picture showing what happened at the beginning, middle, and end of the story. Write the title, author and/or illustrator of your book on your drawing. \_\_\_\_\_
3. Practice reading all of your sight words. \_\_\_\_\_
4. Gather at least 20 (or more, if you like) items and practicing counting by ones and tens. \_\_\_\_\_
5. Take a look out your window. Draw a picture of today's weather. Make sure you have all the details. Sound out and write one word on the back of the picture that describes the weather. \_\_\_\_\_
6. Practice zipping/buttoning your coat, and/or tying your shoes. If you already know how, how fast can you go? Can you tie your shoe in the time it takes to sing the ABC song? \_\_\_\_\_

\*\*Parents: Please print this page out and initial each item to show the activity has been completed. Then, attach any work to this sheet with student name on each paper. Thank you! Work is due the following school day!
